Become an '*Insider*' today! And see what keeps readers subscribing year after year...

Larry Abraham's *Insider Report* is the only investment newsletter which gives you an informed analysis of the political ramifications before it suggests which stock or sector of stocks you should buy. In short, Insider Report makes you think and, in the process, provides you with a confidence in your decisions you just can't get any other way!

So, if you are not afraid to think then I believe you will find Larry Abraham's Insider Report an invaluable tool in your personal war for financial independence. Remember Epicitus, a flood of information is not knowledge. There is a vital difference!

*What subscribers say:*

...Every time I read the 'IR' I am amazed at Abraham's ability to put the pieces together. The 'IR' gives the BIG picture...

--G.H. Harter

...Abraham's ability to make sense of all the chaos has provided insight and clarity for decades. The 'IR' is the one newsletter that I have read year after year, and each month I continue to be impressed. Abraham cuts to the heart with sharp sarcasm and discriminating vision...and besides, his market tips have made me thousands!
